

The Bowies Clergy Association;
A local interfaith coalition

Invite all of you to an interfaith community discussion concerning issues that affect all Americans. We witness daily violence in the name of religion in media, to the point that it affects the quality of our lives. The association felt that you may have a personal point of view on the matter. This is an opportunity to address the issue to a knowledgeable person from another religious tradition.

We have invited religious leaders and scholars from three of the largest global religious influences; Judaism, Christianity and Al-Islam to open the discussion on the following issues.

“Religion, Fundamentalism and the perceived Crisis of Modernity”

Presenters

Rabbi Steve Weisman,
Temple Solel

Dr. Imad ad Dean Ahmed, Ph.D.,
Minaret of Freedom Institute

Professor George McLean, Ph.D.,
Director, The Council for Research in Values and Philosophy at the Catholic University

Immediately following the lectures will be a question and answer session.
